

A protection plan made for your business when at risk.

Sometimes, despite detailed quality screening, a defective product slips past detection. When this happens, and the product hurts a customer or damages their property, a business becomes exposed to costly legal repercussions. Which is why every business needs product liability insurance. Whether it's property damage or injuries from incorrect use of a product, **Liberty Product Liability Insurance** protects the best interests of your business. An insurance with Liberty isn't just a piece of paper – it's a promise that your business will be protected.
