If the Company so elect to reinstate or replace any property the Insured shall, at his own expense, furnish the Company with such plans, specifications, measurements, quantities, and such other particulars as the Company may require, and no acts done, or caused to be done by the Company with a view to reinstatement or replacement shall be deemed an election by the Company to reinstate or replace.

If in any case the Company shall be unable to reinstate or repair the property hereby insured, because of any municipal or other regulations in force affecting the alignment of streets, or the construction of buildings, or otherwise, the Company shall, in every such case, only be liable to pay such sum as would be requisite to reinstate or repair such property if the same could lawfully be reinstated to its former condition.

17. In the event of a loss to the property insured (other than stock and building item) herein, the Company shall pay the insured value or the market value of the insured property, whichever is the lower, subject to the deduction of any excess and amounts which the insured is required to bear under the policy. For the purpose of this condition, the term market value shall mean the value of the property insured herein at the time of damage or loss less due allowance for wear and tear and/or depreciation.

The Market Value of the insured property shall for the purpose of this condition be determined by a valuation obtained by the Company from the manufacturer, authorized sole agent or agent authorized broker, authorised distributor or building contractor of the cost of replacement or reinstatement, subject to the application of appropriate depreciation, of the insured property damaged or lost as it was at the time of the occurrence of such damage or loss.

In the event that there is, at the time of damage or loss no manufacturer, authorised sole agent or agent, authorised broker, authorised distributor or building contractor for the insured property, the valuation shall be obtained from a Loss Adjuster licensed under the Financial Services Act 2013 or Registered Valuer under the Valuers and Appraisers Act 1981 and to be mutually appointed by both parties. The valuation of the insured property by the manufacturer, authorised sole agent or agent, authorised broker, authorised distributor, building contractor, Loss Adjuster licensed under the Financial Services Act 2013 or Registered Valuer under the Valuers and Appraisers Act 1981 shall be conclusive evidence in respect of the market value of the insured property in any legal proceedings against the Company.

18. The Insured shall, at the expenses of the Company, do and concur in doing, and permit to be done, all such acts and things as may be necessary or reasonably required by the Company for the purpose of enforcing any rights and remedies, or of obtaining relief or indemnity from other parties to which the Company shall be or would become entitled or subrogated, upon its paying for or making good any loss or damage under this Policy, whether such acts and things shall be or become necessary or required before or after his indemnification by the Company.
19. If at the time of any loss or damage happening to any property hereby insured, there be any other subsisting Insurance or Insurances, whether effected by the Insured or by any other person or persons, covering the same property, this Company shall not be liable to pay or contribute more than its rateable proportion of such loss or damage.
20. If the property hereby insured shall, at the breaking out of any fire, be collectively of greater value than the sum insured thereon, then the Insured shall be considered as being his own Insurer for the difference, and shall bear a rateable proportion of the loss accordingly. Every item, if more than one, of the Policy shall be separately subject to this Condition.
21. In the event of a loss, the insurance hereunder shall be maintained in force for the full sum insured and the Insured shall be liable to pay an additional premium at the rate stated on the policy calculated on the amount of loss on a pro rata basis from the date of such loss to the expiry of the current period of insurance.
22. If any difference arises as to the amount of any loss or damage such difference shall independently of all other questions be referred to the decision of an Arbitrator, to be appointed in writing by the parties in difference, or, if they cannot agree upon a single Arbitrator, to the decision of two disinterested persons as Arbitrators, of whom one shall be appointed in writing by each of the parties within two (2) calendar months after having been required so to do in writing by the other party. In case either party shall refuse or fail to appoint an Arbitrator within two (2) calendar months after receipt of notice in writing requiring an appointment, the other party shall be at liberty to appoint a sole Arbitrator; and in case of disagreement between the Arbitrators, the difference shall be referred to the decision of an Umpire who shall have been appointed by them in writing before entering on the reference, and who shall sit with the Arbitrators and preside at their meetings. The death of any party shall not revoke or affect the authority or powers of the Arbitrator, Arbitrators or Umpire respectively; and in the event of the death of an Arbitrator or Umpire, another shall be in each case be appointed in his stead by the party or Arbitrators (as the case may be) by whom the Arbitrator or Umpire so dying was appointed. The costs of the reference and of the award shall be in the discretion of the Arbitrator, Arbitrators or Umpire making the award. And it is hereby expressly stipulated and declared that it shall be a condition precedent to any right of action or suit upon this policy that the award by such Arbitrator, Arbitrators or Umpire of the amount of the loss or damage if disputed shall be first obtained.
23. In no case whatever shall the Company be liable for any loss or damage after the expiration of twelve (12) months from the happening of the loss or damage unless the claim is the subject of pending action or arbitration.
24. Every notice and other communication to the Company required by these Conditions must be written or printed.
25. This Policy and the Schedule herein shall be read together as one contract and any word or expression to which a specific meaning has been attached in any part of this Policy or of the said Schedule shall bear such meaning wherever it may appear.

5. In the event of a loss occurring the Insured undertakes to pay extra premium on the amount of any loss pro-rata from the date of such loss to the expiry of the period of insurance, the premium being calculated at the rate applicable to the stocks destroyed and such extra premium shall not be taken into account in, and shall be distinct from, the final adjustment of premium.
6. In the event of this Policy being cancelled by the Insured during its currency (whether stocks exists or not) the premium to be retained by the Company shall be the appropriate short period premium calculated on the average amount insured up to the date of cancelment, or 50% of the provisional premium whichever is the greater; but if the Policy is cancelled by the Insured after a loss has occurred the premium to be retained by the Company shall be the pro-rata proportion of the premium calculated on the average amount insured up to the
